WORK EXPERIENCE

PRODUCT MANAGER

CIBC - Client Experience & Process Optimization, Toronto / Sept 2019 - Dec 2019

- Identified Youth/Student client pain points and proposed removal of informal trust accounts to product executives after conducting comprehensive competitor analysis
- Achieved total fraud loss savings projected at \$2.02MM by constructing enhanced criteria tailored to the user stories brainstormed
- Represented Product on cross-functional team to deliver low cost solution with minimum client impact resulting in annualized savings of \$2.90MM

GLOBAL CONTINUOUS IMPROVEMENT SPECIALIST

TJX Canada HQ, Mississauga / Jan 2019 – Apr 2019

- Drove a \$250K Six Sigma Green Belt DMAIC project by analyzing supply chain structure, and proposing reusability of resources in a closed loop process
- Accomplished time savings of 95% by identifying Voice of the Customer and non-value add steps to automate manual tasks with advanced VBA
- Constructed dashboard in Tableau to narrate company wins and losses; self-serve reporting for key performance indicators

PROCESS ENGINEER

Mancor Industries, Oakville / May 2018 – Aug 2018

- Led kaizen of manufacturing process to implement 1-piece flow
- Increased plant revenue per square foot by 45%, reduced square footage required for process by 30%, resulting in optimal space usage

EXTRA-CURRICULARS

VP SPONSORSHIP & EVENTS

UW Blueprint, University of Waterloo / Jan 2020 – Present

- Promoted the intersection of technology and social good by planning and executing events such as a Women in Tech panel, Interview Prep Workshop, & EOT Project Showcase
- Pursued and developed relationships with sponsors that aligned with Blueprint's mission

VP EXECUTION

UW PM, University of Waterloo / Sept 2018 - August 2019

- Coordinated case competitions, Q&A panels, podcasts, and resume critiques in order to equip UW students with product management resources and inspire innovative thinking
- Created effective solutions amidst time constraints as the team's initial point of contact regarding complications

WOMENS' RIGHTS ADVOCATE

GUP SHUP – The Women Empowerment Series / Jan 2019 – Present

- Produced discussion panel videos for IGTV concerning current, trending issues women encounter in their daily lives, aiming to initiate conversation
- Created a weekly Woman Crush Wednesday series on Instagram to highlight and construct a network of inspiring women and their accomplishments for 150 followers
